This shop is a must visit for all visitors to the town! You'll depart from the shopping centre at around 1.45pm, for the very short drive to the **Eden Killer Whale Museum**. This popular Museum has been in operation for over 85 years, and is a publicly owned facility. The building is situated overlooking the Pacific Ocean where, in the season, whales may be seen from the various vantage points. The Museum features exhibits about the shore-based whaling operations in Twofold Bay during the 1800s and early 1900s, and includes a full skeleton of 'Tom', the legendary Orca Killer Whale. This Whale led a pack of Killer Whales in the hunt for Baleen Whales on their southward migration each year. There is also an exhibition relating to the involvement of local indigenous Australians in shore-based whaling. The Museum also houses a full scale model of the type of whale boat used in whale chases out of Twofold Bay. Exhibitions depicting the local fishing and timber industry tell of the extremely important role that these industries have had, and continue to have in the Eden community. Upon arrival, you'll be taken on a **45-Minute Guided Tour** of the Museum, before having free time to visit the Museum's exciting Gift Shop. After departing from the Museum at around 3.15pm, you'll head straight to the Eden Visitor Information Centre, where a local Tour Guide will board the coach, and take you on a **75-Minute Informative Guided Tour of Eden**. During the Tour, you'll be given an informative talk about the history of the town, and be shown a number of the town's important buildings, including the famous Mary McKillop Hall. During the Tour, you'll visit the Rotary Park Lookout, where you'll have around 20 minutes to make the short stroll to the Lookout, to enjoy the picturesque view of Twofold Bay. The Guided Tour will conclude at around 4.45pm, and you'll arrive back to the Resort at around 5.00pm. You'll have time to relax and freshen up prior to making your way to the **Coachman's Restaurant**, where you'll sit down to a lovely **Three-Course Dinner**. For Entrée, you'll have the choice of either Thai Fish Cakes, served with a Chili-Mirin Dipping Sauce and a Salad Garnish, or Potato & Leek Soup, served with crusty Ciabatta Bread. You'll have time to explore the different aviaries, and to visit the complex's Café and Gift Shop. After departing from the complex you'll head to the **Bega Cheese Heritage Centre**. Situated adjacent to the famous Bega Cheese Factory, the Centre, built in 1993, is a faithful reconstruction of the original 'Creamery' building that was constructed as part of the Factory in 1899. Unfortunately, public tours are no longer permitted in the Factory, so the Centre is used to tell the story about Bega Cheese, and the history of the Factory. The Centre houses a small Museum, which tells the history of dairying in the Bega Valley, and contains equipment that was used in local dairy farms during the early 1900s. The Centre also features 'The Spotted Cow Gallery', which houses the work of local artisans, such as paintings, woodwork, leadlighting and other decorative arts. The Centre's Shop houses a large range of souvenirs, farm-themed giftware, as well as local jams, preserves, honey, and much more! Of course, one of the most important products on sale is Bega's famous Cheese! You'll be able to sample a range of the cheese, including varieties that are only made for export, and are not sold in shops in Australia. The Centre also houses a lovely Café, where you'll be able to enjoy lunch, before departing from the complex at around 2.00pm. After departing from the Centre you'll head straight to the tiny village of **Candelo**. This village, south-west of Bega has been made a designated urban conservation area. It is a largely untouched and attractive village, with timber buildings, featuring shady verandahs, whose appearance creates a feeling of timelessness. You'll have time to take a leisurely stroll through the centre of the village, in which you're sure to enjoy the turn-of-the-century charm. You'll depart from the village at around 3.15pm and head to **Wheeler's Oyster Farm**, which is situated on the outskirts of Pambula. Since the settlement of this region, oyster farming has played an important role in the area's economy. Merimbula Oysters have become famous, both in Australia and overseas, for their excellent quality and flavor. Upon arrival, you'll be taken on an Informative **40-Minute Guided Tour of the Farm**. The Tour will include a visit to the state-of-the-art factory, and you'll hear the complete Oyster story, learn about how they are farmed, and what is involved in the growing process. Following the Guided Tour, if you wish, you can enjoy a free Natural Oyster Tasting. Before departing from the complex, you'll have time to browse around the lovely Gift Shop, and, if you wish, to enjoy
